ANNOUNCING! A campus-wide contest to design the container for

ART IN A BOX
AN ART THERAPY KIT FOR CHILDREN

**ART IN A BOX** is a collection of art and play materials to help traumatized children in troubled areas of the world. Using the supplies to create art will help these children cope with stress and process their experiences.

This is an interdisciplinary student team competition for the design of an innovative shipping box that is sturdy enough to be sent all over the world. The box itself will be a creative and integral part of the children’s artwork.

**PRIZE**  $5,000 in prize money

**DEADLINE**  March 1, 2016

**CONTACT**  arhusenergy@umd.edu
